

<b>ENGLISH</b>	
America mourns today after the Statue of Liberty was bombed in what many are calling an act of terrorism.	
Anti-Muslim sentiment is spreading across America.	
The death toll is fifty-one and expected to rise.	
When two men suddenly began stabbing pedestrians.	
American borders have officially closed today.	
Authorized a shift in threat levels from orange to red.	
For the fourth time this year, terrorists have attacked our country.	
What's being described as yet another Islamic terrorist attack shocked many in attendance today at a fundraiser for veterans.

No jihadis, no Allah, we don't want sharia law (Protesters chant angrily).	
Get the fuck outta here!	
You don't belong here!	
We don't want sharia law!	
(protesters continue chanting)	
Wait, wait who's this guy? Who the fuck are you?!	
What the fuck are you doing here?!	
Go home you fucking terrorist!	
The people outside are protesting because of the recent terrorist attacks.	
They think that Islam is a religion of terror. Well, let not those people protesting outside stop you.	
Let them not stop you from coming to fulfill your religious obligation today. I can understand if you feel upset by the disruption they bring to our place of worship.	
But do not allow their rage to enrage you. Instead, remember the ways in which the Quran teaches us to achieve peace.	
Ensh'allah, this struggle too shall come to pass if we are but righteous.	

We will give them no reason to suspect us of wrongdoing. We will not misinterpret the word of Allah in the name of evil.	
NABIL - ARE THEY THERE?	
Remember, the people who committed these heinous crimes, the people who committed these terrorist attacks do not represent us.	
They are criminals, and just as they have existed in every society, unfortunately, they exist in ours too.	
Police break up angry protesters.	
This gathering has been declared as to be an unlawful assembly; in the name of the Commonwealth, you are commanded to immediately disperse; if you do not disperse immediately, you will be arrested	
Hey Nabil, heads up... el presidente (Spanish for "president").	
You all were supposed to have this dug out by now. Pick up the pace or I'm gonna cut both your breaks.	
El mal parído (Spanish for "the bastard"). Ready to cut your check, cut your balls.... adelante puto (Spanish for "hurry up bitch").	
No break tonight, I'm not paying you all to fuck around.	
SUPPORT OUR VETERANS NOV.3 MULTI-PURPOSE ROOM 107	
I saw it online, these box cutters are swarming the country.	
That's crazy, when do you think they're gonna-	
Hey are you seeing this shit?	
Hey, hey! Kevin!	
Are you fucking kidding me lady?	
You shouldn't wear that.	
You're gonna wear this with everything that's been going on?	
Give me this.	
Stop! Let go!	
Give me this!	
Woah, dude!	

Jesus.	
You're either with us or with these rag head terrorist fucks.	
She gets it man, alright? Let's get outta here.	
C'mon man.	
Fuck this, get off me!	
Just calm down.	
No! If we let <del>me</del> them wear that shit in public, where does it stop?	
Do you watch the news at all? Aren't you worried?	
Not as worried as you dude or her at this point.	
Well you should be.	
No I don't think I should Kevin, I don't know.	
These things always start somewhere. You wear that today, and then you're smuggling in a bomb tomorrow.	
Here.	
Are you okay?	
I'm okay.	
Don't worry about them.	
Thanks.	
Earlier today, the department of Homeland Security authorized a shift in threat levels from orange to red.	
This action is precautionary in the wake of recent terror attacks and bombs threats nationwide.	
The public is asked to stay alert and report any suspicious activity to the police.	
Remember, don't dig too deep now, peligro (spanish for "danger")!	
Fuck Nabil, I don't know how much I can take of this.	
Keep up the pace guys.	
We still got another six hours left.	
Maybe next time, you think before you speak.	

You sound like el presidente cabrón (Spanish for “stupid president”)	
Yea talk to me.	
No no no, if I don’t have them by tomorrow then I won’t have the job finished in time.	
Keep an eye out, I’ll be right back.	
I-I don’t care if you have to drive all night to get them.	
Hello?	
Hello, Mehdi. (cell disruption)	
Nabil?	
Can you hear me?	
Yea, I can hear you.	
Hey, I’m sorry I’ve been busy working.	
Uncle Sam is having one of his days, what’s going on?	
Wala, it’s been a hard day.	
Yea, that makes the two of us. Is that the reason you called me?	
You wouldn’t believe how many protesters were at the mosque today.	
They just keep growing.	
Don’t be afraid of those fools, Allah is protecting you.	
I know Nabil, I am not afraid.	
Allah doesn’t want us to have fear, he wants us to act.	
Absolutely, so did you finish it yet?	
No, not yet.	
Mehdi.	
I wanted to finish it ya Nabil, but you have no idea what I’ve been dealing with.	
I hear you brother. Things will get better once you finish it, trust me.	
I’ll help you when I come home.	
Hello, are you still here?	
Mehdi?	
Yea, I’ll get it done. There was just something I wanted to talk to you	
I gotta go.	
Juan, Juan! I’m here!	

Somebody turn the fucking gas off!	
Okay Dante, I need you to put pressure on the wound while I try to stop the bleeding.	
C'mon press! I got you brother, I got you brother.	
Call an ambulance!	
What the hell Juan, peligro I said! Nabil, what are you doing?	
I was a doctor in Syria, I know exactly what I'm doing.	
No shit.	
I need you to call an ambulance, he has to get to the hospital.	
No way I'm calling an ambulance, he's a fucking illegal.	
He has to get (to) the hospital as fast as possible!	
Please, please take me to a hospital.	
God damnit.	
Pick him up, take him to the back of the pickup truck.	
Nabil, stay here! Clean up!	
Take him to the back of my truck, let's go!	
Juan, I tell you in perfect English, don't dig too deep!	
You have to learn to understand English if you wanna survive in America.	
Wow, you never told me that before.	
Well honestly, I didn't even think I still had it.	
What I saw today, you still got it bro. You belong in a hospital.	
Well thank you, I appreciate that.	
You gonna get your tea?	
Naw, I-I don't feel like it.	
You gonna get that white girl's phone number today?	
What are you talking about?	
What am I talking about?	
You know what I'm talking about.	
No...	
I see the way you all look at each other man, c'mon.	
Man there is nothing.	

Okay, I tell you what. The next time I see you, you better have her phone number.	
You Americans huh?	
Thank you, enjoy.	
You're back.	
Yea, well something seems to keep bringing me back.	
Hi Lisa.	
Hi Nabil.	
What happened with the door, are you okay?	
Oh, it's-it's nothing.	
Program is interrupted by breaking news	
So the usual?	
Yes please, the usual.	
Good morning everyone. We're interrupting this program to bring you breaking news from downtown where a hotel bombing has just occurred	
You know I-I was thinking, maybe someday we could um-	
What did you say?	
Let's go to channel 6's reporter out on the scene.	
And we are live in downtown where the Weiss hotel has just been rocked by a large explosion.	
Over fifty people have been killed, many others critically injured.	
What the hell is going on with this country?	
[Other news overlapping the dialogs:	
...As you can see behind us the smoke continues to rise on the building. Authorities have determined that the ?IED? detonated in the hotel restaurant while guests were taking advantage of a complimentary breakfast buffet. The building has been evacuated but the all clear has not been given. Right now the bomb squad is inside searching for additional explosives]	
Goddamn Muslims.	
Are you alright?	
Yea, I just had a really tough night.	

Don't worry about them, they're stupid.	
Thank you.	
Were you gonna say something?	
I'm sorry, I really gotta go now.	
Police are looking for a man seen carrying a black backpack as he approached the buffet line.	
And police have released these security images from inside the hotel.	
They are asking the public's assistance in identifying this person of interest.	
Although no one has claimed responsibility, law enforcements sources say this attack has all the marks of Islamic terrorism.	
Hey.	
You're home early.	
Yea, there was an accident....	
Did you hear the news?	
No, I-I didn't.	
Turn on your tv.	
No, I have to go.	
Wait, where are you going? I wanted to talk to you.	
Did you work on it?	
No, not yet, but I-I will.	
Mehdi. Why not? You need a resume!	
You've been outta school for over a year. Still haven't found a job. What would father [baba] say?	
What would father [baba] say if he knew he had to work like a slave just so you could do the same?	
Mehdi, things will get better with time, but people need to see what you have to offer.	
Mhm.	

Let me help you with your resume.	
No, Nabil. It's fine, I'll do it. I have to go.	
Wait where are you going?	
Nabil I have to go!	
Mehdi, what's wrong with you?	
I hate my life in this country, I have no fucking chance here.	
What are you talking about? Talk to me. I'm your brother. I know you're hiding something.	
No you don't, it's like you don't even know yourself.	
Do you remember how we got here?	
You told us to leave Syria and we did.	
All of this is your fault.	
How could I ever forget brother[in Arabic]? Hm?	
It hasn't been easy for me either.	
But this is our battle.	
Remember what father [baba] used to say?	
The greatest jihad, is against yourself.	
Do you remember? Do you hear me brother[in Arabic]?	
No... I won't keep my head buried in the fucking sand Nabil.	
No stop you're not gonna go anywhere. [all in Arabic?]	
Me: I met the others at mosque. We're ready.	
109814: That's great news brother.	
Your college will regret the pain it has caused you.	
The police are looking for Umar...	
Is under the table too obvious?	
Are you there brother?	
Me: I don't think all Americans are to blame.	
109814: No American is innocent Mehdi.	
Take your head out of the sand.	
Hello everyone.	

Thank you all so much for coming out to show our veterans how much their sacrifice means to us all.	
At such a difficult time in our country, it-it makes me proud to see that there are so many of you out there that support our men and women in uniform.	
Now, I would like us to allow for a moment of silence in honor of those whose lives were lost this morning to terrible acts upon our country.	
All units stay on the lookout for a 10-66. [suspicious person]	-
Arms out to the side, feet shoulder width apart. You're good, go ahead.	
Arms out to the side, feet shoulder width apart. Hey, you need to get in line.	
Wait, stop!	
Copy your 10-20 Riley.	
Mehdi.	
C'mon Mehdi, pick up!	
You! Stop right now!	
Please sir, we're all in danger.	
Put the bag and phone down. Get on your knees.	
There's a bomb in the bag. Please!	
I'm not going to tell you again.	
Sir, you need to understand.	
Get on your knees!	
There's a bomb in the bag.	
I need backup immediately, possible bomb threat.	
Please, you need to listen to me!	
Step away from the bag!	
Step away from the bag!	
On your knees!	
Get on the ground!	
Mehdi, what are you doing? Get out of here!	

For God's sake Mehdi stay away (in Arabic)-	
Shots fired, man down.	
NABIL INCOMING CALL MISSED CALL	
Everyone, get out of here right now!	
What the hell, where's the detonator?	
Riley.	
The bomb could still be live, we gotta get outta here.	
The latest, what's being described as an Islamic terrorist attack was foiled today at Torres Valley College during a fundraiser for veterans.	
Syrian national Nabil Assadi was shot and killed by campus police officer David Riley after he discovered Assadi carrying a backpack filled with explosives.	
Authorities say Officer Riley recognized Assadi and took action before anyone in the building was harmed.	
An investigation is underway to determine whether or not Assadi was acting alone, or if today's attempted attack was linked to the Weiss hotel bombing in anyway.	
And in related news, protests erupting all around the country today in response to this morning's attacks.	
Reports from 13 states have shown a sharp spike in violence against Muslims.	
Protesters show no signs of stopping as police presence increases nationwide in response to this massive uprising.	
We'll continue to bring you more on this story as it develops throughout our program tonight.
